

WINNIPEG **FRINGE** THEATRE FESTIVAL

CATCH ME IN THE KITCHEN STORY ADVENTURES: A joyous storytelling treat!

Winnipeg, MB (Jun 27, 2023) – Fringe veterans **Ginette Mohr, Stephen LaFrenie, and Liz Pounsett** return to the 2023 Winnipeg Fringe Festival with their new show ***CATCH ME IN THE KITCHEN STORY ADVENTURES***, running at the **Planetarium, (Venue 9), July 20 - 29**. Featuring their unique combination of storytelling and physical theatre, this show brings classic fairytale characters to life in unconventional ways. Set against a Canadian landscape, the performers sprinkle in some French words, a decision inspired by Ginette Mohr's experience as an Anglophone mother of two young daughters in French Immersion.

The performers/writers of the show relish upending stereotypes. "With two growing daughters, I wanted to recreate some of the classic female characters and portray them as dynamic, driven, and hilarious," says Ginette Mohr. "My kids are sharp and they know what's funny. Reading a new script to them at the kitchen table can be a humbling experience. I give them a lot of credit for what is cut and what makes it to the stage!"

After co-creating Fringe hits including *Night Feed* (**NNNNN - NOW Magazine**), *The Last Man On Earth* (**Best In Fest**, Edmonton Fringe Festival), *Snack Music* (5 STARS - **CBC**), and *Fool's Gold* (Edmonton Sun - 5 STARS) LaFrenie, Mohr, and Pounsett now bring their imaginative style of storytelling to the Fest for children ages 4-10.
