

Press Release  
"Money Fish: Balls, Balls, Balls"

Hercinia Arts Collective is excited to premiere our brand new full length kids' show from our crowd favourite Money Fish characters!

Money Fish are a zany, acrobatic trio of fish-like synchronized swimmers... on land. Following many years of swimming through audiences as roaming characters, Money Fish have now been thrust on stage to try and figure out what to do with all of these balls.

Set to an array of the most recognizable classical music, the Money Fish pay tribute to/parody ballet, opera, contemporary dance, acrobatics, silent film, and anything else that might take itself too seriously, while incorporating partner acrobatics, juggling, handstands, dance and clown.

Hercinia is a Toronto & Mattawa, ON based contemporary circus company best known for our street theatre shows and imaginative characters including Construction Guys, HASA: The Aerial Space Show, The Stupendous Silver Sisters, Gargoyles and of course, Money Fish! Created and performed by Hercinia core artists Kirsten Edwards, Emily Hughes and Natalie Parkinson Dupley with contributions from outside eyes Zita Nyarady (The Grand Salto Theatre) and Dino Gonçalves (TFO), *Money Fish: Balls, Balls, Balls* is a seriously silly show for kids and kids at heart.
