The Macho MANitoban

**Randy “Macho Man” Savage impersonator, The Macho MANitoban debuts in  
“Randy & Elizabeth: A Savage Love Story” at The 2025 Winnipeg Fringe Theatre Festival.**

WINNIPEG “Randy & Elizabeth: A Savage Love Story” rekindles wrestling in its finest era, the 80’s, when its secrets were safe and its brightest were part Rock Star and part Superhero. Randy Savage, aka The Macho Man and his love for the genteel Miss Elizabeth was the greatest romance in wrestling history. But behind the scenes, the pressure of celebrity and Randy’s overprotective behaviour in a dangerous business tore at its sequined fabric.

“Randy and Elizabeth: A Savage Love Story” is seen through the eyes of a devoted Fan who met Randy Savage and has developed The Macho MANitoban as a tribute to the beloved entertainer and charity volunteer.
