The Winnipeg Fringe Theatre Festival is proud to call Manitoba home. The Winnipeg Fringe is located in Winnipeg on Treaty 1, the traditional territory of the Anishinaabeg, Cree, Anishininew and Dakota people, and the National Homeland of the Red River Métis. We are thankful for the benefits sharing this land has afforded us, acknowledge the responsibilities of the Treaties, and embrace the opportunity to partner with Indigenous communities in the spirit of reconciliation and collaboration.

GREETINGS

Ever since my first experience at the Fringe way back in 1989, these two weeks in July have been my favourite time of year. That first year, I was amazed by the number of incredible shows being presented by artists from Winnipeg, across Canada and around the world. I truly got hooked by the excitement and energy the Fringe brings to our community.

The 37th annual Winnipeg Fringe is very similar to those early years. Theatre lovers continue

to support original and unique work in great numbers. This year, we're pleased to feature 150 indoor shows throughout the Exchange District and downtown Winnipeg with a mind-boggling 1,250 performances to choose from. We also have lots of family-friendly fun including our free Kids Fringe activities and plays at the Kids Venue. And let's not forget the jugglers, acrobats, entertainers and rockin' local bands on our Outdoor Stage.

So, change your out of office reply to Gone Fringin' and choose your adventure! I hope you're fired up for the Fringe and I'll see you in line.

Chuck McEwen

Executive Producer, Winnipeg Fringe Theatre Festival

Welcome to the 37th annual Winnipeg Fringe Festival, the second-largest Fringe in North America. It is truly amazing to boast such a position considering we are a relatively small city by comparison to some in the circuit, and yet our love of the Fringe as Winnipeggers runs deep.

As one of Canada's largest regional theatres, Royal MTC's support of the Winnipeg Fringe is unprecedented in the Fringe circuit, and we are

vastly proud of our involvement. The Fringe is a place where artists, both emerging and well-seasoned, share their wares, and we as their audience immerse ourselves in the intoxicating Fringe fever, racing from venue to venue, chattering in line-ups about the hot tickets, or the awesome band that will be playing Old Market Square that evening. It is a place for community, a celebration of connection, where artist and audiences interface in a joyful display of passion for live performance.

To everyone who has worked tirelessly to make this year's Fringe such a success - from the artists to the audiences, the volunteers to our amazing staff, I salute you all. Have a brilliant festival, everyone.

Happy Fringing!

THANK YOU TO OUR VOLUNTEERS!

It's a well-known fact that we couldn't run the festival without our dynamic team of volunteers. These amazing people perform a variety of roles from selling tickets and answering questions to supervising Kids Fringe and keeping Old Market Square tidy.

We're grateful to all our volunteers who generously donate hundreds of hours to create a wonderful festival experience for audiences and artists.

We extend an extra special thank you to our long-serving volunteers who have been with us for the past 25 years or more. We appreciate your time, dedication and enthusiasm!

REETING

Canada

The Department of Canadian Heritage is pleased to welcome you to the Winnipeg Fringe Theatre Festival! Over 12 days in July, you'll enjoy perfor-

mances from hundreds of entertainers from around the world at one of the largest Fringe Festivals in North America!

We are proud to support the Winnipeg Fringe Theatre Festival through the Canada Arts Presentation Fund. This program ensures Canada's professional arts organizations can continue to bring world-class performances like the ones you're about to see, all while supporting professional artists and developing the artists of the future. We hope that you will be inspired by the unique and interesting shows in this year's lineup!

Putting on an event of this scale takes a lot of hard work. We congratulate the Royal Manitoba Theatre Centre who bring you this event year after year, all the community volunteers and of course the artists themselves. Now all that's left to do is enjoy the festival!

Department of Canadian Heritage

It is my pleasure to welcome everyone to the 2024 Winnipeg Fringe Theatre Festival.

For 37 years, this summer festival continues to host performers and theatre companies from around the world showcasing comedy, drama, dance, music, improvisation and more, presented on stages in and around Winnipeg's historic Exchange District.

The Fringe allows new and emerging actors, directors and playwrights an opportunity to perform

and develop their artistic talents and skills in front of live audiences. It is also a festival that thrives on experimental theatre from seasoned professionals, where Winnipeg audiences get the chance to experience some very special and unique performances. The Winnipeg Fringe Theatre Festival is North America's second-largest Fringe Festival, thanks to the support of thousands of audience members, and the artists who truly change the way we see theatre.

Congratulations to the performers, staff, volunteers and sponsors for all the work they do to make this outstanding event possible. And thank you to all the Fringers over the years who have supported this festival. I wish everyone a wonderful 12 days and a very successful festival.

Honourable Glen Simard

Minister of Sport, Culture, Heritage and Tourism, Government of Manitoba

On behalf of the City of Winnipeg, it is my pleasure to welcome everyone to the Winnipeg Fringe Theatre Festival.

This year, Winnipeg celebrates 150 years as a city. It is an opportunity for us to reflect on our past, and look ahead to our future.

It's also a chance to reflect on the role that arts and culture play in shaping our city's identity and enriching our lives. I want to thank the performers,

staff and volunteers for their hard work and dedication to making this festival possible.

Since 1988, the Fringe has been a celebration of the arts, showcasing the incredible talent and creativity of local and international performers.

Thank you for supporting the festival. By supporting the arts, you are helping to strengthen our community.

Happy Fringing, everyone!

Mayor Scott Gillingham

The City of Winnipeg

Welcome to the Fringe! Whether you are fringing for the first time or are a veteran fringer, you're sure to discover inspiring and innovative work at this year's Canadian Fringe Festivals. This summer, thousands of artists will take the stage nationwide as festival-goers gather to celebrate diversity, community and artistic freedom.

Fringing for the first time? I recommend you purchase a multi-show pass. Pick a sure bet (or a show you know you will love), attend a show

another Fringer recommended to you (perhaps while waiting in line for that first show!) and finally, choose a show at random from the program!

Remember that as festival producers, we are not the tastemakers, you are. If you see something you love, tell everyone! Word-of-mouth is key to the success of shows at the Fringe.

In 2023, Canadian Fringes returned over \$3.2M in box office revenue to artists. By fringing with us, you are contributing to an artistic movement that has become an integral part of the Canadian cultural landscape. Fringe festivals support artists, create jobs, and drive local economies. And as always, artists keep 100% profit from their ticket sales.

I am asking anyone who loves the Fringe to support your local festival today to ensure it's here tomorrow. When you buy a ticket at a Fringe, you are directly supporting the artist on the stage. When you make a donation to the festival itself, you are helping that artist gain access to the platform and the resources they need to get to the stage in the first place. If you are able to, please consider making a donation to your local Fringe today.

Fringe on,

Amy Blackmore

President, Canadian Association of Fringe Festivals Executive and Artistic Director, FringeMTL

JOIN OUR COMMUNITY OF DONORS

By gathering every July, Fringe fans create a vibrant community that brings downtown to life. We believe – and, admittedly, we're biased – that this community of theatre lovers is one of the most supportive groups you'll ever find. On top of cheering for artists and donating their time, Fringers financially support the festival, making it possible to offer accessible and affordable entertainment for everyone.

If you're contributed in the past, thank you. If you're thinking about giving for the first time, we invite you to join our family of donors. You'll enjoy special benefits while helping us return 100% of the box office revenue to the hardworking performers.

You can donate at winnipegfringe.com or by calling Patrick at 204 954 6411. Thank you!

SUPPORT THE ENTERTAINERS

We ask you to say thanks to the talented street performers and rocking local bands on the Bell MTS Outdoor Stage. Since access to Old Market Square is free, our performers rely on donations from generous audiences like you - so make sure to give back when they pass the hat after their show!

PET POLICY

We love our furry four-legged friends, but we ask that you leave your pets at home. The festival isn't animal-friendly (hot pavement, crowded atmosphere that may overwhelm your pet), and festivalgoers may not be comfortable around pets. Our goal is to keep the festival safe and comfortable for all visitors. Please note that service dogs are allowed.

WASHROOMS AND ATMS

The festival provides public washrooms in Old Market Square on King Street beside the Red River College Paterson GlobalFoods Institute. We encourage Fringers to be conscientious and use festival facilities in lieu of surrounding businesses. Since many beverage pavilions and food vendors only accept cash, ATMs are available inside the Info Tent in the Red River College courtyard, and at the beer gardens.

Fly Through Time with Leapin' Louie NEW WORK!

by David Lichtenstein

A cowboy comedy circus show about animals who fly.

Five amazing groups of animals developed flight: insects, pterosaurs, birds, bats and finally - humans. Only 66 years after the Wright Brothers invented the airplane, we landed on the moon. Can we leave enough room for wild ecosystems as we jet into the future?

Leapin' Louie has swung his 50-foot lasso among lots of other crazy tricks on stages in 35 different countries.

It's super fun for kids and adults.

Have you ever experienced math phobia and wanted to dance about it?

Broken Rhythms has arrived this Fringe to serve up some delicious dancing π with a twist (and a few turns).

1,000 Pieces of π is the first act of its kind in that it investigates the mind-body connection by utilizing the constraints of the never-ending and never-repeating sequence of the number $\boldsymbol{\pi}$ (3.14) to create a full and yet 'irrational' dance show.

My toes striving till the tips of your fingers by Johanne Gour

My toes striving, while my life is falling out of my hands. Body parts repeat basic walking movements. Other limbs draft gestures of love. Some bodies will remain aloof and alone... Should we seek our freedom? Will one of us stay behind?

Johanne Gour brings to light the contrast between the immobility of those who are sitting and the agility of legs free to come and go. As dancers move in unexpected ways, the wheelchair-bound choreographer performs her own part. The audience is pulled into feelings of confinement.

Assistance by Leslye Headland

Assistance is a quick-moving comedy about our attraction to power and what we're willing to sacrifice to stay in its orbit.

For these ambitious (and somewhat masochistic) assistants, life has become a series of corporate humiliations and shortcomings. As this troupe of traumatized co-workers attempt to make it through each work week without being fired, they find solace in shared misery, loneliness and a shocking lack of self-respect. Like Succession...but with less money and a better-looking cast.

Bremner sings How to Pack A Revolution In Your Suitcase NEW WORK! Written & Performed by Bremner Fletcher

Cabaret of Murder

by Blair Moro

What do you pack when you run? What can you use to fight evil? Art and music and songs! In 1920s Germany, creativity flourished in the wild artistic world of Berlin while Hitler called artists "incompetents, cheats and madmen." Artists fled, carried their culture with them and kept fighting. Bremner sings hope and rebellion, proving art wins against evil.

JIMMY HOGG THE POTATO KING

A love story. A comedy.

Curtain Call Collective presents Dark Horse Theatre's "The Social"

Confusion and craziness abound in this comedy set entirely in the coatroom during a Manitoba wedding social. A reluctant groom, a drunken best friend, a heartbroken bridesmaid, a domineering mother-in-law and a mysterious foreign uncle are just a few of the guests you'll meet.

Curtain Call Collective is delighted to bring Dark Horse Theatre's The Social to the 2024 Winnipeg Fringe Festival, after the original show played to sold-out, laughing crowds at the Irish Club in January 2023.

The Spice of Life by Leith Clark

"Playwright Leith Clark didn't have to look any further than daytime television for inspiration. The characters in his take-off soap opera spoof live in Savoury City, and have names like Ginger, Cayenne, Cinnamon, Sage, Anise, Thyme and Clove. The stories are appropriately and weirdly co-mingled and so impossible to even attempt to convey in this brief space - but it's less the content than the comic touches that make this one a winner.'

Dressed as People - A Triptych of Uncanny Abduction

by Kelly Robson, Amal El-Mohtar, A.M. Dellamonica & Margo MacDonald

A school haunted by troubled children, a mysterious disappearance in a forest, an encounter with the unknown on open waters. Three characters, three time periods, three tales of abduction and the intrusion of the uncanny into the lives of those who are taken, those who do the taking, and those who are left behind. Multi-award-winning theatre creators and queer SpecFic writers team up for this chilling new work. From the producers of The Elephant Girls. ★★★★ - Winner 2021 Ottawa Fringe Audience Choice & Solo Performance

Note: The first monologue contains content relating to Catholic institutional violence (and death) towards young women and children. A full list of content warnings will be available at the venue.

PICASSO lovers & muses

Choreographed by Pedro Aurelio & Genevieve LaTouche

Join PICASSO for a look behind the canvas and the notable women who influenced his art.

Through flamenco and Spanish dance, the production highlights the muses and lovers who drove Picasso to create, from his early blue and rose periods to the enigmatic Cubist style that became his trademark.

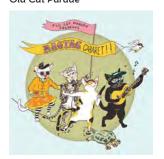

With fans and castanets that are signatures of his native country, the show explores his art, building to the dramatic masterpiece Guernica. The dancers are accompanied by guitarist Philippe Meunier, accordionist Stephen Kiz and singer Onna Lou.

You're Driving Me Crazy NEW WORK!

by Alison Bloxham & Stephanie Alexandre

Sibling dynamics are hard. Cramming them into a small car that smells like old McDonald's fries on a six-hour road trip can make them even harder. Sisters Jen and Penny seem to have found themselves in that very car, and to make it worse - they're late. Terribly late, to a wedding they don't want to attend. Watch as a pleasant drive down memory lane turns into a disaster of cosmic proportions, as perspectives clash, secrets are spilled and tensions bubble over.

Buckle your seat belts, it's gonna be a bumpy ride.

Sixteen weeks, four continents, three bungee jumps, and I couldn't come home soon enough.

This is the story of how a Boston homebody turned a solo trip around the globe into a comedy novel and a one-man play. Part travelogue, part theatre and part off-kilter author talk.

A must-see for book lovers, writers, travelers, whiners, kvetches and misanthropes

Between Gigs NEW WORK!

Written & Performed by Heather Madill & Joseph Aragon

Between Gigs is a funny yet poignant story about a frustrated musician and an accountant with a tragic past. Together, they play at weddings and funerals, and discover the value of friendship!

Okay-really, we wrote this show as an excuse to perform some tunes together, and share music with people. Actually, that ties in thematically with our show. It's probably a fluke. Anyway, we promise we won't kiss at the end.

We're also the people behind Bloodsuckers (★★★ - Winnipeg Free Press) and other hit Fringe musicals, if that matters.

Gloria, a life-sized vagina, has lost her keys. While digging through her folds and pockets, she stumbles upon objects hidden deep within that spark memories, taking her to dark and hilarious places. Through her comedic world view she straddles taboo topics. The orgasmic, tragic and the slits in between.

Blending clown, puppetry, stand-up, storytelling and physical theatre, Kate Tobie walks a raunchy line between uproarious laughter and disappointedly familiar grief.

Power Grab NEW WORK! by Konrad Antony

A boss who is so cold and unyielding you wonder if he is human. Collecting and maximizing "Penitent Points" like Air Miles in a church of the near future. A workplace claiming to be healthy actually being the opposite. Nonsensical pandemic rules in stores and the frayed nerves that result from them.

In vignettes that explore these and other comedic scenarios, we explore a number of absurdities and contradictions in the modern world, often tied up with the sense that those who wield power are not using it for the greater good.

A Side of Rice

Written & Performed by Nicholas Rice

Simply put, A Side of Rice is me - it's some of the stories I've amassed in my 50 years of professional acting and my 73 years of life.

Starting out as a shy, fatherless Jewish kid in Winnipeg (Kelvin, Class of '69), I grew up to become an actor, a writer, a teacher, a martial artist and, I hope, a devoted father and friend. Some of my stories are sad, some are funny; all, I promise, are totally true.

Stand-Up Science Presents: Volcano NEW WORK!

by Ben Miller

What happens when a comedian walks into a volcano?

In 2023, Ben Miller was the artist-in-residence at Hawai'i Volcanoes National Park, the first stand-up comedian ever selected. This was probably a terrible idea on their part.

Come watch this show where scientist-turned-comedian Ben Miller explores volcanology, entomology, Hawaiian history, cats, cookies, and more. And yes, that photo is real.

Ben has made people laugh in front of a burning lava lake and he is not afraid of you.

Forbidden Cabaret NEW WORK! Written & Performed by Melanie Gall

Hidden in the back alleys of Broadway is the grittiest, most decadent club in New York. The year is 1934. Unlicensed musical entertainment is illegal and the Dirty Blues are banned. But not at Club Perroquet: when the midnight hour strikes, the forbidden cabaret begins.

Featuring (real!) banned hits: "Pin in Your Cushion," "What Can You Buy a Nudist on His Birthday?" and "Never Hit Your Grandma With a Shovel (Use an Axe Instead)."

Melanie Gall is the award-winning performer of Ingenue $(\star\star\star\star\star)$ and American Songbook Experience $(\star\star\star\star\star)$.

Not Quite Sherlock: The Gaslight Detective Written & Performed by Chris Gibbs

The Gaslight

Detective

London, 1896

Checking on a friend's house, Barnaby Gibbs finds a man dressed in black, holding a bag of jewelry, writing a poem about sapphires. Any reasonable man would see that this must be the notorious cat burglar known as the Rhyming Bandit!

Fortunately, Gibbs is not a reasonable man. And when the stranger declares he is in fact the brilliant detective Antoine Feval, a new crime-fighting duo is born.

Not Quite Sherlock: The Tunnel of Terror Written & Performed by Chris Gibbs

Barnaby Gibbs, a man made entirely of shortcomings, is definitely no hero. Being sidekick to the brilliant detective Antoine Feval is as close as he can get. But when an evil mastermind and his sinister Canadian henchman try to plunge the world into chaos, Gibbs will have no choice but to become exactly the hero he definitely isn't meant to be.

Stitch in Time: A Knitting Cabaret Written & Performed by Melanie Gall

Excitement! Drama! Romance! And...knitting? A scintillating cabaret, featuring 'lost' knitting songs of World War I and World War II.

On a moonless night when the sea trout are ready to run, a man

brings his new girlfriend to the remote family cabin where he has

come to fly-fish since he was a boy. But she's not the only woman

Written by one of Britain's most acclaimed playwrights, The River

is a compelling drama about love and loneliness that delves deep

he has brought here - or indeed the last.

into the human soul.

Bring your knitting (or crochet) and stitch along to these funny, poignant, toe-tapping, needle-clicking tunes. Come out and have a ball! Melanie Gall presents over a dozen quirky historic songs, including "More Power to Your Knitting, Nell!" and "The Knitting Itch."

Mornings are never dull at Miss Mabel's!

As a nursery school teacher, you never know what your day will bring and it's the things you don't plan for that keep it interesting.

Come inside the classroom - there's delight, innocence, injuries, accidents, a cheese mat and stories.

Share in the joy of working where you get to play all day, where workplace hazards include biting, hurt feelings and sneezes right in your face, and in the connection between teachers who always put the kids first, even if the world doesn't.

Since 2002, the Manitoba Association of Playwrights (MAP), the centre for play development in our province, has presented an award for Best New Manitoba Play in the Winnipeg Fringe Festival in memory and honour of Harry Rintoul, a leading Manitoba playwright and founding Artistic Director of Theatre Projects Manitoba.

The award recipients are selected by a panel of theatre professionals. The winner receives a \$750 prize, and an honourable mention receives \$250.

In 2023 the award was presented by MAP Executive Director Brian Drader to Connor Joseph, Cuinn Joseph and Monique Gauthier for World's Fair 1876: The Centennial Exposition, with an honourable mention going to Ethan Stark for A Work In Progress.
